

Harrington Memorial Fund

Scholarship Application

The Harrington Memorial Fund is a restricted fund established to promote youth hockey at the Superior Amateur Hockey Association (SAHA). Interest income from this fund is used to help pay for SAHA registration fees for eligible youth living in Douglas & Bayfield counties.

The Northwest Wisconsin Community Services Agency (NWCSA) manages the scholarship application and screening process for SAHA to help maintain confidentiality. Scholarship eligibility is based on Federal Poverty income criteria and award thresholds set by the SAHA Board.

All income information will be verified by NWCSA staff. You must sign a declaration of income and release of information (see back) in order to be considered for a scholarship. You can call NWCSA at 715-392-5127 to receive an initial eligibility determination prior to submitting an application.
